EXPRESSION OF INTEREST

Vedanta Limited, a subsidiary of Vedanta Resources Limited, is the world's leading Oil & Gas and Metals Company, and one of the largest producers of Oil & Zinc, Lead, Silver, Copper, Iron Ore, Steel, and Aluminium & Power across India, South Africa, Namibia, and Australia.

ESL Steel Limited, a subsidiary of Vedanta Limited, operates 1.5 Million Ton Per Annum (MTPA) integrated steel plant near Siyaljori village in the Bokaro district of Jharkhand. ESL has established excellence at every stage of production by bringing international expertise and solution from reputed manufacturers.

With the ambition of ESL to implement state-of-the-art technology and increase the efficiency and stability of operations, while relying on the longest possible lifetime capability. To increase the reliability & availability of the ID fan for 2x65Ton BOF, it is proposed to install **1 No. Standby ID Fan** for system redundancy on **EPC Basis**. The standby ID fan should be properly installed and interconnected with the existing ID fans to ensure uninterrupted operations of both the converters having the possibility of connecting the new fan to either converter as and when required.

ESL Steel Limited invites Expression of Interest from competent Indian and International Partners with relevant experience and clientele reference for Similar scope of work as per the ISO Standard.

Interested parties of good repute and having proven track record may send their profile, client list and details of executed credentials at the below mentioned mail id within 7 days from the publication of this advertisement:
