'EACH ONE, LEAD ONE' CELEBRATED BOLD THINKING AND STRONG LEADERSHIP DRIVING IMPACT

In a dynamic connect session, our **Dy. CEO and WTD, Ravish Sharma**, engaged with the SPOCs of Each One, Lead One, acknowledging their unwavering commitment and celebrating the real, measurable impact of their initiatives.

He urged the teams to **step beyond their comfort zones, embrace bold thinking**, and transform possibilities into results. Sharing inspiring words, he reminded them that **"Excellence begins where comfort ends"** and encouraged them to **"Push limits, unlock potential, achieve greatness."**

With this spirit, let's keep the momentum alive, turning every idea into impact and every effort into lasting success.

ATOMIC HABITS BY JAMES CLEAR

What Makes This Book Special for Nisha?

Tiny changes bring remarkable results. By adopting small habits in daily life, we can transform the way we live, making it more organized and joyful. **Atomic Habits** by James Clear taught me how to face even the toughest situations with calmness and a positive mindset.

Nisha's Recommendation!

She recommends this book to her colleagues because if you have goals in life but struggle with issues or distractions, this book can truly help. It guides you to stay focused and empowers you to fulfill your desires.

LOVERS DAY
Presenting Sameer Kumar from SMS

THE IMMORTALS OF MELUHA BY AMISH TRIPATHI

What Makes This Book Special for Sameer?

Mythology is my favorite genre and this book, **Immortals of Meluha** by Amish Tripathi, because it takes you on a journey where legends meet imagination. It beautifully blends history, philosophy, and action into gripping stories that stay with you long after you've finished them.

Sameer's Recommendation!

He recommends this book because it offers much more than mythology. It explores how humanity is rarely black and white, how true leadership is forged in the gray spaces, and how change and growth demand sacrifice, resilience, and self-

Presenting Sanjay Chakraborty from Sales & Marketing

RICH DAD POOR DAD BY ROBERT KIYOSAKI

What Makes This Book Special for Sanjay?

This masterpiece, **Rich Dad, Poor Dad** by Robert Kiyosaki, inspires readers to adopt a growth mindset about money and guides them on the path to financial freedom.

Sanjay's Recommendation!

He recommends this book to everyone, as it transforms the way readers view personal financial security. It highlights the importance of financial literacy and its essential role in every individual's life.

YOU CAN WIN BY SHIV KHEDA

What Makes This Book Special for Sandeep?

Written in simple language and filled with short, impactful stories, **You Can Win** by Shiv Kheda is highly motivating and easy to connect with. The book inspires readers to build confidence, stay positive, and take practical steps toward success in both personal and professional life.

Sandeep's Recommendation!

He recommends this book because it serves as an instant source of motivation. Just a few pages are enough to inspire positivity and drive.

LOVERS DAY
Presenting Pankaj Kumar Gupta from Energy

RAMAYANA BY VALMIKI

What Makes This Book Special for Pankaj?

Ramayana by Valmiki beautifully shows that true strength lies in following the path of righteousness, even when faced with great challenges.

Pankaj's Recommendation!

He recommends this book as it is a timeless history that everyone should read at least once. Ram's unwavering commitment to duty, kindness, and truth, even in adversity, reminds us that goodness and integrity form the foundation of a meaningful life.

BEFORE THE COFFEE GETS COLD BY TOSHIKAZU KAWACHI

What Makes This Book Special for Aditi?

A reflection of society, this book's abstract themes and metaphorical settings keep you guessing at every turn. Its gripping discourse holds you throughout, and as a coffee lover, I was drawn to its unique connection with a simple cup of coffee.

Aditi's Recommendation!

He recommends it because it takes readers into an imaginative world with absurd yet fascinating themes that keep you hooked.
