

VISION, MISSION & VALUES OF ESL STEEL LIMITED

VISION:

To be a global leader in high-grade, low-cost steel production, building a sustainable future for all stakeholders and shaping India's self-reliance journey.

MISSION:

- Our first target goal is to achieve “Zero Harm”
- To be a strong steel arm of Vedanta business, with an increased contribution to India's GDP.
- Help India achieve a crude steel production capacity of 300 MTPA
- Stay committed to our ESG journey and Sustainable Development Goals, while optimizing operations by harnessing greener ways of Steel Making.
- As a caring & responsible organization, remain focused on the 5 Ps - People, Planet, Prosperity, Peace, and Partnership.
- Set new global benchmarks in steel production with leading-edge technology, digitalization, and innovation-led business.
- Be a disruptive, challenger brand with its customer-centric approach, offering a world-class product portfolio

VALUES:

Our values of safety, trust, entrepreneurship, innovation, excellence, integrity, respect, and care form the core of our business.
