EXPRESSION OF INTEREST

Vedanta Iron & Steel Limited, a subsidiary of **Vedanta Resources Limited**, is a leading fully integrated iron and steel enterprise with a diversified portfolio that includes iron ore, steel, pig iron, DI pipes, TMT bars, ferro alloys, and cement.

ESL Steel Limited, a subsidiary of **Vedanta Iron & Steel Limited**, operates a 1.5 Million Tonnes Per Annum (MTPA) integrated steel plant and is developing an additional **2.0 MTPA** capacity, taking the total steelmaking capacity to **3.5 MTPA** in the Bokaro district of Jharkhand. ESL has established excellence across every stage of production by leveraging international expertise and advanced solutions from reputed manufacturers.

As part of its transformation initiative, **ESL Steel Limited** invites **Expressions of Interest (EOI)** from Indian and global companies for the **Design, Engineering, Supply, Construction, and Commissioning of a 2.0 MTPA Downstream Steel Production Capacity Expansion** on a **Concept-to-Commissioning** basis, incorporating **best-in-class technologies, digitalization, sustainability-focused design, and AI-driven execution**, while adhering to the **highest standards of safety, quality, reliability, and operational excellence**.

Interested parties of international reputation and having a proven track record for similar greenfield or major brownfield expansion may send their profile and details of executed credentials at the below mentioned mail ID **within 7 days** from the publication of this advertisement.
